

OXYGEN PAINTS INDIA

Beauty with a breath of fresh air

ABOUT US

OXYGEN PAINTS INDIA the eco-friendly designer & plain paint was born in 2019 with the aim of offering to the consumer, client, architects and applicators decorative solutions capable of overcoming the traditional concept of paints, with proposals that reproduce the ancient techniques of our master decorators with a re-use from waste processing of natural stone and marble in respect of ecology, offering the maximum well-being to those who work and live in the interior & exterior.

WHY CHOOSE US

Oxygen Paints India" generally refers to air-purifying, low-VOC paints designed to improve indoor and out door quality. **Oxygen Paints India** is an ecological designer paint perfect for those who love the beauty and timeless elegance, that desire an alternative to the traditional decorations of walls to create welcoming environments, refined, in classic or contemporary keys. A durable, environmentally-friendly acrylic & emulsion product that produces iridescent textures with the typical shine of precious fabrics, inimitable and eternal.
